

WHO

Leadership University is an investment into the future of you and your organization and is perfect for both small and large businesses alike. This program is ideal for employees and leaders who wish to grow both personally and professionally, learn how to improve relationships, and strengthen their leadership skills. Both seasoned and new leaders will benefit from the training in this program.

WHAT

This is an immersive leadership program that was specially created to help you grow and harness the natural leader inside of you. Leadership University is a year-long training and growth opportunity where you will develop a well-cultivated self-awareness – the cornerstone of an exceptional leader. You will learn to lead by using a strength-based management approach and will further your knowledge in various areas of leadership development to more effectively lead your team(s) and understand how your role as a leader works congruently with the mission, vision, and values of your organization.

WHEN & WHERE

Leadership University is an 11 session program that will take place on the third Wednesday of each month starting on June 19, 2019 and ending with a graduation on May 20, 2020. On these days, the program will start at 9:00 am and finish at 4:00 pm. There will be snack and lunch breaks throughout the day. Each session will take place in our conference center in Heritage Plaza at 315 West 60th Street in Kearney, Nebraska.

HOW

The program is a mixture of lecture, group discussion, and small group activities. You will be encouraged to participate in order to get the most out of the program and will also be asked to share in a two-person project that positively impacts a business, group, or the community. You will also complete a Personal Action Plan each month to incorporate your learning into your own leadership roles. Articles are assigned for reading so rich discussion can take place, and outside resources can be incorporated.

WHY

Leadership University is an investment in an individual's growth in any setting or organization. This program reshapes thinking and allows for goal setting and a richer understanding of self and others. The program will provide applicable tools so you feel better prepared to handle change, communicate with internal teammates and external customers, and lead others successfully into the future.

INVESTMENT

The investment for this program is \$179 per person per session for a total of \$1,790. This includes 10 full sessions and a complimentary 11th session on May 20, 2020 comprising of graduation. All materials, snacks, and lunches are included. A 10% discount is available for those who wish to pay the total program price up front. There is also a discount of \$159 per person per session applied to those businesses who wish to enroll 3 or more people.
